Fire Prevention Week 9 to 15 October

Again, Fire Prevention Week is to be observed in Canada and the United States as it has been annually since it was first officially proclaimed 44 years ago.

Actually the observance originated 55 years ago as Fire Prevention Day to promote fire safety in memory of the 250 persons who perished in the Great Chicago Fire which occurred on October 8th, 1871, destroying one-third of the City. (Nearly 18,000 buildings).

Let's learn and heed the rules of fire safety in our homes, schools and places of work. The

National Fire Protection Association tells us 98% of all fires can be prevented.

Statistics compiled by the Dominion Fire Commissioner show that during the past 10 years, 750,000 fires in Canada have taken 5,000 lives, seriously injured almost 16,000 other persons and destroyed property valued at \$1,000,000,000.

Improved FIRE PREVENTION is your job too!

If fire defences are checked constantly, there is no limit on what can be saved through public co-operation.

FIRE DEPARTMENT DEMONSTRATION

A demonstration of fire equipment will be held at the Griesbach Fire Hall on Saturday, the 15th of October at 2:00 p.m.

The Griesbach Fire Department has just received a new fire truck and this demonstration will give the residents an opportunity to see the new apparatus in operation.

In addition to the Griesbach Fire Department demonstration, Base Fire Chief F/O G. S. Ferris has indicated he may be able to send down a new crash truck for a demonstration of heavy foam application.

Open house at the Fire Hall will be held on the same date from 2:00 p.m. to 5:00 p.m. and everyone is welcome to drop in.

UNIT FIRE PREVENTION WEEK CONTEST

All Units within the Griesbach Area of Base Edmonton have been invited to compete in a local fire prevention week contest.

The contest has been organized by the Griesbach Fire Department to encourage Unit participation during Fire Prevention Week (October 9 - 15).

The Griesbach Garrison Unit Funds Committee have kindly provided a trophy for presentation to the winning Unit.

The Griesbach Fire Chief is very pleased with the Unit Fire Committee's reception of the program and is looking forward to many fine entries.

A slightly inebriated character walked into an elevator shaft, fell four floors to the bottom, picked himself up, brushed off his clothes and shouted indignantly: "I said UP!"

The Fire Safe Family

The home is traditionally one sure place of refuge and safety. Yet homes are the scene of more than one quarter of all the fires we allow to happen each year. Even more tragically, more than half of all fire deaths occur in homes.

These facts, from National Fire Protection Association records, are both a warning and a challenge — a warning that deadly fire can strike **your** home, a challenge to **you** to take prevention action.

Prevention starts with good family habits about fire hazards. It includes care with matches and

smoking, keeping heating and cooking equipment in good order, proper use of electrical fuses, appliances and extension cords, and frequent clean-ups.

High on the list of family safety measures is a carefully prepared and rehearsed escape plan for fire emergencies. Alternate routes to safety from every room, particularly every bedroom, are of prime importance in the plan, to provide for halls and stairways that may be blocked by fire.

Remember, prevention through good habits and preparedness through good planning make a fire-safe family.

ONE MORE YEAR

By Fire Chief A. P. Hauglum

Fire Prevention Week is fast approaching and your Fire Department is busily preparing for the Week which is the conclusion of our Fire Prevention Year.

Our Fire Prevention Year begins and concludes in October, when we commemorate those who perished in the Great Chicago Fire of 1871.

Looking back over the past year, I realize again as I have realized over the past 13 years I have served in your department, how fortunate we have been, that we have never had a fatality caused by fire in the Griesbach Area.

I often wonder how long our

luck will hold, will it hold for one more year?

We seem to be trying so hard to have a fire fatality, we still smoke in bed, we still wash our clothes in gasoline, we still keep flammable liquids in unsafe containers, we still leave small children unattended, we still go right on having foolish fires in countless different ways.

Now I know and you know that no one wants a fire fatality, but if we don't stop having foolish fires, the law of percentage will soon catch up to us. (588 Canadians died as a result of fire last year).

"CAN WE GO ONE MORE YEAR?"

"Wainwright Hunting"

The Hon. H. A. Ruster, Minister of Lands and Forests, Alberta, advises that regulations have been established permitting a special season and controlled hunting for deer and sharp-tailed grouse in the Wainwright Military establishment during the coming winter. Research conducted by wildlife biologists indicates that certain portions of the Wainwright Military Camp range carry high density white-tailed deer populations. Following discussions with Department of National Defence representatives, agreement was reached to permit hunting in an area that has virtually not been hunted in before. Fish and Wildlife Officials view this as an opportunity to develop a specific research and management project in which Alberta hunters will be the principal participants.

The open season for sharp-tailed grouse is the week of December 5th to December 10th.

Residents of Alberta who have obtained wildlife certificates and upland bird stamps are eligible applicants. A draw will be made from all applications received prior to November 12th and 80 hunters will be validated to hunt in specified regions for 3 two-day periods, but individuals or parties up to four hunters may hunt for one two-day period only. By this means a total of 340 bird hunters will be accommodated. There will be no additional charge to bird hunters.

Applications for the special \$3.00 deer stamp will be accepted from residents of Alberta only. From all applications received prior to the deadline date, November 12th, a draw will be conducted and 80 hunters will be validated to hunt deer in specified parts of the region during each day of the open season. The open season on antlered deer will extend from December 12th to December 17th,

both inclusive. At the rate of 80 hunters per day therefore, 480 deer hunters will be accommodated. From dates January 2nd to January 7th, 1967 (both inclusive) an antlerless deer hunt will obtain in the area. Again, 480 selected hunters will be allowed a one day hunt on each of the 6 days of the open season.

Entrance to and exit from the Military area will be rigidly controlled and hunting parties will be assigned particular regions in which to conduct their operations. Access to and dispersal from the area will be under control of attending wildlife biologists and D.N.D. staff who will be assigned to the project. There will be no overnight camping allowed in the camp area, and no campfires will be permitted.

Details concerning applications, the validity of party hunt applications and special controls to be applied to hunting in this instance will be available from the Wainwright district Fish and Wildlife Office at Provost or from the Director of Fish and Wildlife at Edmonton by mid-September. Bird hunting parties will have to be accompanied by dogs capable of retrieving shot game birds.

PPCLI Depot

The Regimental Museum recently received an item of great interest in the form of a silver bugle. This bugle was presented by the PPCLI officers to a Boy Scout Troop in Ottawa in October, 1914, in recognition of their sounding bugle calls during PPCLI parades at Lansdowne Park. It was moved from "pillar to post" until Col. Schultham H. Hill, a former PPCLI officer, of Ottawa, recently learned of it. He very kindly made a great effort on behalf of the Regiment and obtained the bugle for us. If anyone is interested in this or any of the many other Regimental items on display at the Regimental museum, feel free to drop over any Thursday between 2:00 and 4:00 p.m. The museum is located at the south-western corner of the Leonforte (PT) building.

A little boy who had sneaked his cap pistol into church, fired it in the middle of a boring sermon. His father grabbed him by the arm and started to lead him out.

As they passed an elderly lady she laid her hand on the father's arm and whispered, "I hope you aren't going to punish that boy. He's scared the devil out of more people today than our preacher has in the last ten years."

The Griesbach Association

Operates both as a Recreation Co-ordinator under CAFO 50-2 and as a Married Quarter Community Council. Its aim is to sponsor community organizations and foster committees in the field of education, welfare, recreation and character building of the married residents of the Griesbach area. The Association will, where possible, work for amenities not provided by DND for adults and children.

The organization of the Association is shown below and it is for your use. Activities can be added or changed as the membership so desire. The representatives on the council are appointed by units based upon the number of PMQs occupied by the units.

Listed below are the Association organizations operating within the Griesbach area.

GRIESBACH ASSOCIATION FINANCES

The Griesbach Association receives its funds from the various activities shown below. The amount is given in percentages as the actual amount varies considerably from month to month. The expenditures are listed showing the activities supported by the community and the percentages give an indication of the relative expenditures within the barracks.

RECEIPTS

Membership	31%
Griesbach Central Fund.....	21%
MLS Funds	16%
From previous year.....	14%
Fair and Bingo.....	9%
High School Book Rental	8%
Activities Registration.....	1%

EXPENDITURES

Summer Playground Programme	31%
Hockey	13%
Skating Rink	10%
Wabanum Camp	9%
Baseball	8%
Swimming	8%
Gymnasium	4%
Repair of Equipment and Administration	6%
Bus Shelter	5%
PMQ Grounds Competition	4%
Grade 9 Scholarships	2%

It is pointed out that expenditures on bus shelters was in the main capital expenditure, and the Grade 9 Scholarships have been set at the above percentage as a maximum depending upon the number of first class graduates.

The receipts from the Maple Leaf Services (MLS) Funds are mainly as a result of purchases made from the sundries shop. The Griesbach Central Fund, which obtains its money also from MLS, for use and assistance of activities for military personnel have contributed to the Griesbach Association expenditures on a cost sharing basis.

The High School book rental revenue is in fact held to replace those books which it is felt will be no longer repairable in the next year or two and replacements must be purchased.

double your money with Canada Savings Bonds Centennial Series

Centennial Series Canada Savings Bonds offer you their highest interest yield ever—5.48% a year when held to maturity.

The new Bonds pay annual interest at the rate of 5% for each of the first four years; 5½% for each of the next three years; 5¾% for the following year and 6% for each of the last five years—a total of \$72.25 in interest on every \$100 Bond.

And for the first time, there is a special compound interest option. To take full advantage of it, leave all the annual interest

uncollected until Nov. 1, 1979, and you will get interest on your interest, amounting to \$27.75 extra on every \$100 Bond.

It all adds up to total interest of \$100 on every \$100 Bond. It's a safe, sure way to save. **DOUBLE YOUR MONEY** with Canada Savings Bonds Centennial Series.

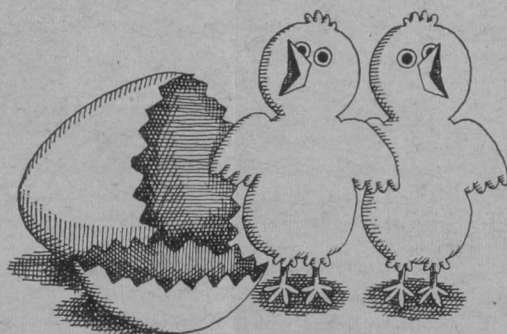

This Series retains all the traditional features which make Canada Savings Bonds Canada's most favoured investment.

They are still easy to buy for cash or on instalments where you work, bank or invest.

You may buy as little as \$50 or as much as \$10,000. Every Canadian resident may buy up to this limit. So can estates.

They are still simple to cash, anytime, at any bank in Canada for their full face value plus earned interest. Just fill out the redemption form on the Bond, present it to your bank and you'll get your money right away.

And now they're better than ever to keep with the highest interest yield ever and interest on interest. **DOUBLE YOUR MONEY** with Canada Savings Bonds Centennial Series.

Retires

EDMONTON, Sept. 1, 1966. Regimental Sergeant-Major Ferris, CD, a member of the Regiment of Canadian Guards, retired on September 15th after completing 27 years of distinguished service as a member of the Canadian Armed Forces.

Sgt.-Major Ferris first joined the Cameron Highlanders of Ottawa (Militia) in 1932 shortly after coming to Canada from Northern Ireland.

He went on Active Service with that unit on September 2nd, 1939, and served with them in Iceland, the U.K. and on detached duty in North Africa.

In 1943 he was sent to the Saskatoon Light Infantry (MG) and served with them in Italy, where he was wounded, and in Holland and Germany. He returned to Canada with that unit as their Regimental Sergeant-Major.

He served with the Royal Can-

adian Regiment from 1946 to 1952 and with the Rifle Battalion (now the 1st Queen's Own Rifles of Canada) in Germany from 1952 to 1954.

On his return to Canada he transferred to the Regiment of Canadian Guards and was employed with 2nd Battalion as a Drill Sergeant-Major. He was then posted to the 1st Battalion and was the first Regimental Sergeant-Major of that Battalion.

In the fall of 1957 he was selected for service with UNEF in the Middle East and appointed RSM of the Canadian Contingent and Camp Sergeant-Major of the Base Units at Camp Rafa on the Gaza Strip.

During his tour in Egypt he was parade Sgt.-Major of the United Nations Day Parade at Gaza, a job which entailed coordinating the drill and movements of seven companies, which spoke seven different languages, and drill and march in seven different ways.

On his return to Canada he was posted to New Glasgow, Nova Scotia to work with the Nova Scotia Highlanders (Militia) and prepare them for a Presentation, Consecration and Trooping Ceremony on the occasion of that unit being presented with New Colours.

In 1961 he was off to Egypt for his second tour in that area and on his return to Canada in the fall of 1962 he was posted to Camp Wainwright.

On his retirement, Sergeant-Major Ferris, his wife and son, Shawn, will reside at Charlottetown, P. E. I.

"SCOUTS"

The Griesbach Scout Troop will hold its first meeting and registration in the PPCLI Drill Hall on Monday, October 10th.

Troop meetings this year will be from 1800 hrs (6:00 o'clock) to 2000 hrs (8:00 o'clock).

Registration fees, this year, the same as last year, \$4.25.

Any Scouts that have been posted in, please bring transfers.

What's What? ? ? at CE Section Griesbach

By Rosemary Irvine

Ha-ha-a-a, thought you could get rid of me, didn't you, — now everyone's really in for it. Just wait and see.

Cpl. Irvine and I are happy to be back in Edmonton after completing a Refrigeration Course and enjoying a holiday at Fort Belvoir, Virginia, U.S.A. So many changes — "Impossible!!" No-o-o possible, even the name has been changed (to protect the innocent or shall we say not so innocent). Can this really be the right? Listen sh-h-h — those footsteps — heated discussion — laughter. — Cep!., it's the place alright.

Now for the DEARLY DEPARTED and New ARRIVALS. . . .

Major Elfner has deserted "SUNNY ALBERTA for "RAINY B.C.". No need to fret though, Squadron Leader West flew in to take over as BCCE (Base Construction Engineer Officer). Our Draughtsmen,

Mr. Romanovsky and Cpl. Arthur, have retired after many years of faithful service. Cpl. Arthur isn't taking it sitting down — so good luck in your new job, Sandy.

Mr. Kelly, formerly of Calgary, and Spr. Ortman are new busy drawing funny pictures. Might have to send for the men in white uniforms yet. "Beware Spr. Ortman" you are now the only single man here. . . .

A hearty welcome is extended to WO2 Lereverand; WO2 Roberts; S/Sgt. Degagne and their families. We hope you enjoy your stay here with us. I do believe Mary Kanya, our steno, was never formally welcomed — situation now remedied.

Sadly, good-byes were said to L/Sgt. Brown as he headed for a little place at the end of the world. "Let us know if you find Gypsonville, Brownie."

Cpl. Pauley has just returned

from the sun bathing at Alert in time to extend best wishes to Sgt. Cassidy, departed on Foreman of Works Gp 4 Course; Cpl. Domonick and Cpl. Laflin, Carpenter Gp 3 Course and Cpl. Govin on his Sr. NCO Course.

Who-o-ops a thousand pardons — I nearly forgot to introduce Capt. Allen's replacement "Capt. HAMMOND". His friendly smile and cherry hello is a WELCOME SIGHT — but-t-t watch out for that devilish twinkle in his eye. Congratulations are extended to Cpl. Irvine on his appointment to L/Sgt.

SORRY FOLKS, no gossip this month, only the facts. If I have missed any NEWSY EVENT, feel free to bring it to my attention — but — be prepared to suffer the consequences.

HUNTING AND ANGLING LICENSES

For the convenience of Canadian Forces' members and DND employees, the Griesbach Fish & Game League are pleased to announce that arrangements have been made for the sale of bird, game and angling licenses at the Griesbach Post Office.

Hunters wishing to shoot migratory game birds, are reminded that a Federal Government permit is required in addition to the Provincial license. These permits are available at the Griesbach Post Office.

For the information of new residents the Post Office is located at the corner of 104th St. and 146th Avenue, next to the M.L.S. Snack Bar.

TEST DRONE IN DESERT

Staff Sergeant F. H. Weeks of Halifax, awaits order to push the button launching a Canadian reconnaissance drone during tests at the U. S. Army proving ground, Yuma, Arizona. The CL-89, developed and manufactured by Canadair Ltd., Montreal, flies over "enemy" territory near the speed of sound, bringing back to field commanders detailed ground photographic intelligence.

Calgary Recce Squadron Bound for Cyprus

Major C. G. Kitchen, 36, of London, Ont., will command the reconnaissance squadron of the Fort Garry Horse during six months of peacekeeping duty in Cyprus starting in October.

The armoured squadron, now stationed at Calgary, will replace "B" Squadron, 8th Canadian Hussars.

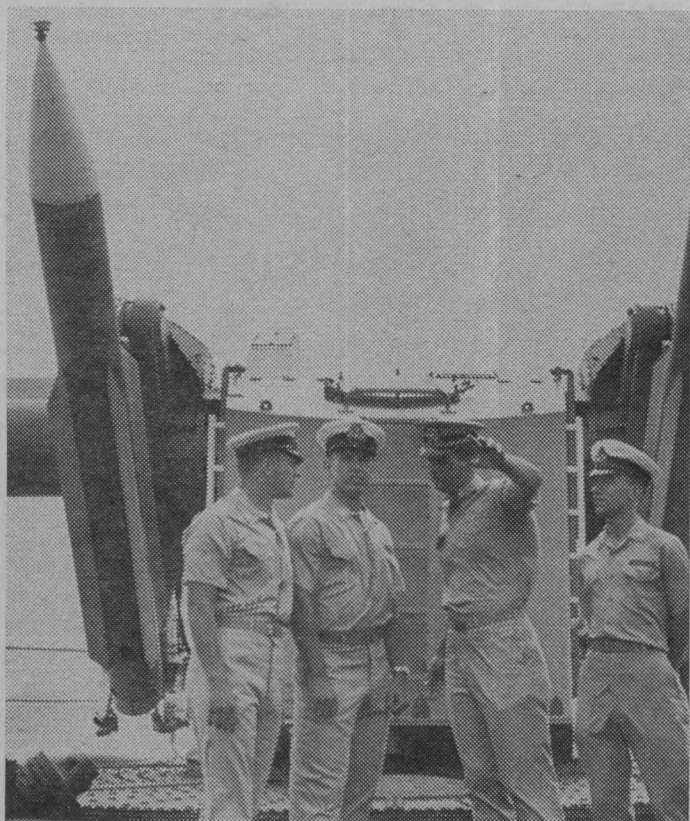

Major Kitchen is at present attending the Canadian Army Staff College, Kingston, Ont.

He has served at various establishments in Canada including the RCAF School, Camp Borden, at Ottawa and Calgary.

U.S. FLEET VISITORS

Three Canadian cadet midshipmen inspect Tarter missiles on board the U. S. Navy's guided missile destroyer Sampson on duty with the U. S. Sixth Fleet in the Mediterranean. The Canadians, on board the Sampson as part of an annual exchange, are: Mid. Paul Goineau, left, of St. Jean, Que.; Midshipmen Russell Moore, Kelowna, B. C., and Terrance Metcalfe, Langley, B. C., right. A U. S. Navy officer explains how the missiles are fired. Three U. S. midshipmen are embarked on board the RCN destroyer escort Yukon.

GRIESBACH COMMUNITY LIBRARY

Library Hours

Commencing October 3, 1966, the library will be open each Monday, Wednesday and Friday, holidays excepted, from 7:00 to 9:00 p.m. With the adoption of these hours it will again be necessary to limit members to two books per card.

Help Wanted

Rotation, integration and the normal posting cycle have all combined to sadly deplete our staff and volunteers are required to help in the library as supervisors or assistants on any of the above evenings. No experience is necessary and the work is inte-

resting and rewarding. Interested persons are asked to contact the librarian at 424-5701 or 476-6553 (evenings), or Mrs. Neatby at 476-5314.

2551 PPCLI CADET CORPS

During the months of July and August there is no cadet activity to be seen around Hamilton Gault Barracks. We can assure the reader that the cadets are very active.

At the time of writing there are eleven cadets at Vernon Cadet Camp. One cadet has already returned from two weeks in Clear Lake. Cadet Pte. Owen Stutt was able to return with a Best Cadet award. From the 6th of August to the 20th of August another

ten will undergo training at Clear Lake Cadet Camp.

The next step is to look forward to the Fall training. The first parade was held on Wednesday the 14th of September.

The Corps has been honoured with the privilege of mounting the quarter guard for the Colonel of the Regiment, Major-General C. B. Ware, DSO, CD, on the occasion of the Second Battalion Trooping the Colour ceremony on the 17th of September.

Arrangements are now underway for a Cadet Corps Flag and mid-October should see its presentation.

An Aid Memoire

Compiled for the Bugle by the D.N.D. Regional Information Office in Alberta.

Know Your Commanders

With the many changes taking place within the command and organizational structure of the Canadian Forces, the D.N.D. Regional Information Office, Alberta Region, will publish a series of photographs and biographical sketches for the Bugle of CFHQ Commanders, Commanders of the functional commands, as well as local commanders. In addition there will be brief summaries of the various commands and their responsibilities. It is hoped that this aide memoire will be of value to all military personnel and their dependents in the Canadian Forces Base, Edmonton, and keep them informed of the developments within the Canadian Forces.

Group Captain J. F. Davies, Commander CFB, Edmonton, appeared in our last edition.

CANADIAN FORCES COMMAND STRUCTURE

**General Jean Victor Allard,
CBE, DSO, ED, CD**

General Jean Victor Allard was born in Ste. Monique de Nicolet, Que., on June 12, 1913. He was educated at College St. Laurent in Montreal and St. Jerome College in Kitchener, Ont.

Gen. Allard was commissioned in the Non-Pedmanent Active Militia in 1933. He volunteered for active service in 1939 and was appointed to the Three Rivers Regiment (Tank) in the rank of Major. Between 1939 and 1943 Gen. Allard held a number of appointments in Canada and overseas, becoming second-in-command of the Royal 22nd Regiment in 1943 while they were serving in Italy.

In December, 1943, while temporarily in command of the Royal 22nd, Gen. Allard won the Distinguished Service Order for gallantry, initiative and military skill in the battle of the Arielli River near Ortona. In January, 1944, he was appointed commanding officer of the regiment, and in September of that year was awarded the first bar to the DSO for outstanding service during the breakthrough of the Gothic Line.

In March, 1945, he was pro-

moted to Brigadier and given command of the 6th Canadian Infantry Brigade in Holland, winning a second bar to his DSO in that appointment.

From 1945 until 1948 Gen. Allard was military attache in Moscow and then was appointed commander of Eastern Quebec Area. Following a year at the Imperial Defence College in England, 1950-51, he became vice-quartermaster-general for the Canadian Army.

Gen. Allard returned to the field in April, 1953, as commander of the 25th Canadian Infantry Brigade Group in Korea. He represented Canada at the truce-signing ceremonies at Panmunjom on July 27, 1953.

In 1954-56 Gen. Allard commanded the 3rd Canadian Infantry Brigade Group at Camp Valtier, then was commander of Eastern Quebec Area until appointed vice-chief of the general staff at Army Headquarters, Ottawa, in 1958.

Her Majesty the Queen approved the appointment of Gen. Allard as commander of the 4th Division, British Army of the Rhine, in Germany, in November, 1961. The first Canadian Army officer to command a British division, Gen. Allard held this appointment until October, 1963, when he returned to Canada as major-general survival at Army Headquarters.

On integration of the Canadian forces in September, 1964, he was promoted to lieutenant-general and named chief of operational readiness. He became the first commander of the newly-created Mobile Command in September, 1965. In July, 1966, he was promoted to General and appointed Chief of the Defence Staff.

In addition to his gallantry awards, Gen. Allard has also been

awarded the CBE, the French Croix de Guerre and Legion d'Honneur, the Netherlands Bronze Lion and the U. S. Legion of Merit (Degree of Officer). He is married to the former Simone Piche.

**Colonel Malcolm F. MacLachlan,
OBE, MC, CD**

Colonel Malcolm F. MacLachlan was born on October 9th, 1917, at Great Village, N. S. He was educated at Acadia University where he obtained Bachelor of Art and Bachelor of Education degrees.

Col. MacLachlan enrolled in COTC at Acadia University in December, 1939, and served with the West Nova Scotia Regiment from August, 1940, to October, 1941. In November, 1941, he joined the Cape Breton Highlanders, served in the U. K. and Italy, and returned to Canada as a Major in January, 1945, after being wounded three times. In August of the same year, he rejoined the Cape Breton Highlanders in the U. K. as the second-in-command of the regiment.

From September, '46, to December, '51, Col. MacLachlan was Command Personnel Officer at Headquarters Eastern Command. Following a one year course at the Army's Staff College, in Kingston, Ont., he became second-in-command of the Canadian Highland Battalion in Germany. He held this position for three months prior to proceeding to Korea as Commanding Officer of the 3rd Battalion, Princess Patricia's Canadian Light Infantry.

In January, 1954, Col. MacLachlan took over as Commanding Officer of the 2nd Battalion, Canadian Guards, at Camp Petawawa.

Sport Page

By WO2 Ray McHugh

There doesn't appear to be a great deal to report upon from this corner in the way of sports for this edition of the Bugle.

Sporting activities during the summer months in Griesbach are at their lowest ebb. Baseball is an almost non-existent sport in Griesbach. The Little League operates for approximately one month, it commences and finishes when it should really be just getting under way. This then, seems like a most inopportune time to assume these most arduous duties of Sports Reporter for your local rag.

However with the advent of the fall season and the approach of the winter, this column should be somewhat newswier. The Curling season will soon be upon us and every effort will be made to give this very popular winter pastime as much coverage as possible. Little League Hockey and Bowling will soon commence and every effort will be made to adequately cover these fields, depending of course on the efforts of my staff in the field.

There was a Fastball League in operation during July and August. This was largely due to the efforts of Sgt. Gus Thuillier of 17 ROD and a few oldtimers who gave unselfishly of their time. The league comprised teams from 17 ROD, RCME Wksp, 2 PPCLI and RCAF Namao. Although no league statistics were kept a round-robin series was decided upon to declare a league winner. The team from Wksp could not field a team and a sudden-death game was played between 17 ROD and 2 PPCLI, with the team from the Patricia's being declared the winner. In the final series RCAF Namao defeated 2 PPCLI in two straight games by scores of 5-4 and 3-0. This was a well played final with little to choose between the two. Errors contributed to the downfall of the Patricia's in the second game, but the RCAF overall had the edge in pitching and hitting.

A meeting was held at 1530 hrs on Thursday, September 15, in an effort to form a mixed bowling league for the 1966-67 season. This has been a well established league in past seasons and was formerly known as the Western Command Mixed Bowling League. The meeting held on the 15th, was to decide on a new league name, election of officers and to draw up a schedule for the coming season. All those interested in this very pop-

ular and relaxing fall and winter pastime, are advised to get in touch with WO2 Al Curtis, phone 479-8411, Local 354 as soon as possible.

A general meeting of the Griesbach Curling Club will be held at 2000 hrs October 11 in the Griesbach Curling Club and a very cordial invitation is extended to one all to attend. This is a wonderful winter sport and it caters to people of all ages, so c'mon out to this meeting and meet the people who count, do a little corps planning, and have lots of fun as well. A special invitation to all the new families in camp and to any new RCAF families.

Paddock Patter

Some of the more interesting faces to be seen at the Northlands Track during the past racing season included the following well-known celebrities: Mrs. Daphne Quelch and Mrs. Rolande Newberry representing our Central Registry; Miss Sharon Beach and Miss Anne Kulak from HQ Alberta District. From the Messes were WO1 McKillop and Sgt. Zurawell. Cpl. Harry Hanson from MLS was also in attendance. Harry really made a bundle, don't let him kid you; but others, alas, it's a sad tale they have to tell.

Congratulations to Mrs. Marie Beck (wife of Sgt. Tony Beck, local pay office) on her venture into the Racing World as an Owner. Marie has purchased the fine Thoroughbred "Dusty", out of How Green was my Valley, by Welch Miner. Dusty is a three year old and will be sent east to train for the winter season before being exposed to the eastern tracks next spring. Dusty never ran as a two-year old, having contracted chicken-pox and has been slow to recover, however, he now seems to be in excellent form, ready for his eastern invasion. Pending on his showing in the east, it is intended to bring him back to the western circuit next summer. This would appear to be a "Hidden One" and a good tip for those who hit the Mutuels would be a place, show for a start. Let's not horse around, this is a good nag. Good luck, Marie, may all your races be winning ones.

Old time hockey fans might be interested to hear of the passing of two former NHL greats, Harvey Busher Jackson and Bill Thoms of Toronto Maple Leaf

fame. Both played in the late 20s and early 30s. Jackson gained fame as a member of the famous Toronto Kid Line of Conacher, Primeau and Jackson. He broke into the NHL at the age of 18 and led the league in scoring at the age of 21. Thoms was a real speedster and was a member of the line of Hec Kilrea, Buz Bolls and Bill Thoms. Both were 56 years of age.

Prognostications:

Cleveland Williams to defeat Cassius Clay in November if the bout comes off. Remember this

corner told you so.

It is the wish of this editor to make this column as interesting as possible. If you have any suggestions, or anything of interest that you think the people in Griesbach would like to know about, kindly let us know. Humorous anecdotes are welcome. To do this kindly contact the editor by phoning 479-8411, Loc. 383, or by writing to: Sports Editor, Griesbach Bugle, Griesbach Barracks, Edmonton, Alta.

Congratulations to Sergt. Jim Copeland on being elected "Good Guy of the Month" for October.

Jim takes over as president of the Triple F club for one month. See you next month!

SPORTS CORNER

With football fever in the air and Grey Cup fever rising in Edmonton, with the Eskimos making a bid for the Grey Cup, the 2 PPCLI Flag Football team entered in the Edmonton City and District League are causing their own football fever in defeating all opposition. Their main opposition being the City Police who they play on Saturday, October 1st, 1300 hrs at Namao sports field.

"Physical Education" is the new terminology for the unusual past time of keeping the human body in a mental and physical condition. The units of Griesbach started a program on September 26th, and for some it's the long road back from the easy summer living.

Remember! muscles are not built in a day, but must be slowly nurtured progressively.

As this is my first editorial, I would appreciate sports news and items passed along to me before the 10th of each month.

NEWS ITEMS

A team from the Griesbach Golf Association placed second in the Canadian Forces Base Tournament at Lancaster Park September 7 and 9.

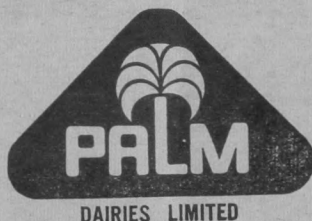

Corporal White, PPCLI Depot, coached the Dodgers of the Griesbach Tyro Baseball league to the 1966 championship.

Capt. Peter Littlehales coached the 2 PPCLI rifle and SMG team to a win in the 1 CBIG rifle and SMG competition. The 2 PPCLI team represented 1 CBIG at the Canadian Forces Smallarms competition in Ottawa.

Cpl. R. Lewis, 2 PPCLI won the Tyro Trophy for the best marksman of the first year competitors.

By Sgt. T. W. Lewis

On Wednesday, August 3rd, the Officers, Warrant Officers and Senior NCO's of HQ 13 Coy and 224 Workshop RCME held a farewell party in honour of Major F. R. Kaye, CD, Commanding Officer of 13 Coy RCME and Base Maintenance Officer (Land Equipment), Canadian Forces Base, Edmonton, who is retiring from the Canadian Forces after 31 years service. Major Kaye was presented with a miniature replica of a cannon. It is to be noted, at this point, that the evening was not really lost to reminiscing past "victories" or the telling of "War Stories" but many games were played and new champions were recognized.

One event on the evening's itinerary was the presentation of a Sgt's Mess Mug by Captain Millen, the Officer Commanding 224 Workshop RCME, to Sgt. "Don" Porter who is leaving fair Griesbach to take up new duties at Camp Petawawa.

August 27 - 28 will be dates that will long be remembered by officers and friends of Major Fred Kaye, because, it was on these fateful days that "Freddie A GO GO" was successfully conducted. People came from near and far to attend this memorial event. This party started in the early hours of August 27th and continued until the wee hours of August 28/29. The only guarantee made by Fred was "all would have a Hangover".

A gain for HQ 13 Coy RCME is the arrival of Major C. A. Hurst, CD. Major Hurst and

family recently returned from a three year tour in the United Kingdom. Major Hurst assumes the responsibilities of Base Maintenance Officer (Land Equipment) for Canadian Forces Base, Edmonton. Welcome to your new job, Sir.

Congratulations are in order to Charlie Beange. "Charlie", a new member to the workshop who recently took charge of the MSS Team, has been promoted Asgt effective July 15th.

The following new members are welcomed to the fold: Cfn C. L. Harris and family from Gagetown, N. B.; Cfn L. G. Perault from North West Europe; S/Sgt. Lyle Walker and family, also from North West Europe; Sgt. Bill Taylor from Camp Wainwright; Cfn Hammonds from the RCME School, Kingston, Ont.; Cfn Wayne Boles from 3 RCHA, and Corporal Leo Menard from 2 PPCLI.

Good-bye is in order for Lieut. Bruce Tomlinson who is leaving the Forces to return to the University of Alberta. All the best to you, Bruce. Also retiring from the Canadian Forces to take up farming are S/Sgt. Bill Hartle at Rochester and S/Sgt. Alex Stewart at Carbon. Both boys extend a welcome to all to come and visit and help with the harvesting. WO2 Russell also retiring at the end of September, is still uncertain as to his field of endeavor. All your friends wish you the best in whatever field you pick, Rus.

directing staff of the Canadian Army Staff College (Aug. 1956, to Aug. 1957), he was posted as an instructor at the British Army Staff College, Camberley, where he served until August, 1960.

From August, 1960, to July, 1964, Col. MacLachlan served at Army Headquarters, in Ottawa, first in the Directorate of Supply Operations and Planning, then as Director of Personnel.

In July, 1964, Col. MacLachlan became Chief of Staff at Western Command Headquarters, in Edmonton. He held that position until the phasing out of the command in April, 1966, when he was assigned a similar position in the re-organized Alberta District Headquarters. On July, 1st, 1966, he took over as Commander of Alberta District.

LEARN HOW TO SQUARE DANCE

Square dance lessons will commence on Tuesday, September 27 at 8:30 p.m. in the Social Centre at CFB Edmonton (Namao).

Square dancing is fast becoming one of Canada's leading couples activity, particularly in the West. This fact was proven at a recent meeting where many non-dancers were introduced for the first time to square dancing resulting in many happy smiling faces.

Two nights only will be open for registration, September 27th and October 4th after which no new registrations will be accepted.

All service personnel and DND employees are invited to come out and try this fine form of recreation. For further information phone 799-5186.

CHALK TALK

By Brian Davis

INTEGRATION AND WELCOME

By now we have become accustomed to the idea of integration of the Armed Forces and we welcome the new Base Commander of Canadian Forces Base (Griesbach), Group Captain J. F. Davies. Staffs of both schools met in School No. 2 auditorium at the beginning of the new school year and Superintendent of Schools, Mr. W. V. McNeil, introduced Group Captain Davies as the new Base Commander, Major R. E. Gorham, Chairman of the Griesbach School Board, and Captain B. W. E. Krauss, Treasurer of the School Board. Each addressed the teachers, greeting old staff members, and welcoming new teachers to our schools. Group Captain Davies explained how the schools now came under his general administration at both Griesbach and Namao.

STAFF DIRECTORY

The following is a directory of the staffs of both schools:

SCHOOL No. 1:

Mr. H. Ulmer (Principal), Mr. J. Karpiak (Vice-Principal), Mrs. G. Colquhoun (Secretary), Mrs. Wagstaff (Nurse), Mesdames A. Kreller, S. Bauder, M. Turpin, B. Hoberg, M. Peetes, Hiss P. Gilfoil, Mesdames I. Fisher, I. Nicholson, M. Blocka, M. Kursk, E. Kolodychuk, Miss E. Free, Mr. J. Little, Misses A. Ross, L. Leter-sky, T. Bouchard, Mr. R. Morin, Miss M. Liviero, Mrs. V. Allingham, Messrs. B. Davis, P. Gabinet, H. Haiduk, Miss V. Hachey, Mrs. C. Gouin.

SCHOOL No. 2:

Mr. J. Majakey (Principal), Mr. N. Bodnar (Vice-Principal), Mrs. R. Dixon (Secretary), Mrs. S. Kowalchuk, Mrs. M. Wacowich, Miss J. Maruyama, Mrs. M. Brewer, Miss S. Burton, Mesdames M. Watson, M. McAthey, Misses H. Filipowich, E. Fedun, Mesdames E. Fenton, D. Green, B. Jones, L. Babiuk, Miss C. McCallum, Mesdames M. McLean, F. Fenton, Miss M. Sawchyn, Mesdames A. Johnson, A. Semenuk, Miss J. Fry, Mrs. N. Smoole.

Teacher: Harry, I've had to scold you every day this week. Have you anything to say for yourself?

Harry: I'm sure glad it's Friday.

WHO'S WHO?

Miss Helen Filipowich, formerly on our staff, has returned to teach one of the Grade 1 classes in School No. 2. During the last two years, Miss Filipowich worked at the Canadian Forces Base for the Department of Youth in Quebec. Here she taught English to French Canadian airmen who had little or no English. As English is the official language in the RCAF, this English course was a prerequisite in the training of these airmen. The course was of 26 weeks duration. There was a six-period day of two labs. and four lectures.

Miss Jean Fry hails from Devonshire, England. After her teacher training she taught in England and then went to Australia where she taught for three years. She spent eighteen months in New Zealand, and has travelled to the South Sea Islands of Fiji, Samoa, Hawaii, and through San Francisco, through Canada back to England. She returned to Canada several months ago and now at School No. 2 where she teaches a Grade 5 class.

Since the Second World War more than 4,300 pilots from the

WEDDING BELLS

We offer congratulations and best wishes to two members of our staff who were married during the summer holidays. Miss Nancy Lysak became Mrs. A. Semenuk, and Miss Norma Bailis became Mrs. N. M. Smoole.

REGISTRATIONS

Enrolments in both schools are up over last year, School No. 2 with 40 additions over 1965, and a total of about 585, and School No. 1 with 615 students, a total of 1,200 pupils in both schools.

SPORTS

In School No. 1, the Phys. Ed. instructor this year is Mr. A. Little. He received his teacher training in England, where one of his specialties was Physical Education.

On June 15, Griesbach contested Rosslyn in a first-of-the-year soccer match. Rosslyn defeated Griesbach 3 to 2. Scorers for Griesbach were Leveque, and Bracken (with no assist by D. Wheeler).

This year our Girls' Sports Reporter will be Susanne Debney, while Eric Admas will act as Boys' Reporter. Both will cover athletic programs as well as reporting the results of inter-school sports activities.

TROOPING THE COLOR

On Wednesday, September 14, both schools were invited to attend the rehearsal of the military ceremony, Trooping the Color. The complete teaching staff were later hosted by the Officers of the 2 PPCLI and entertained in their Mess. The teachers express their thanks and appreciation for this kind gesture.

friendly nations have received their wings at RCAF training schools in Canada.

First Canadian Army fighting unit to reach Korea was the 2nd Battalion, Princess Patricia's Canadian Light Infantry, which arrived in Pusan, Dec. 18, 1950, for United Nations service.

"Stone Frigate" Renovated

For the first time in 145 years the second oldest building on the grounds of Royal Military College of Canada, Kingston, is being renovated.

The STONE FRIGATE, built in 1819-20 on Point Frederick, was originally used to house naval stores and equipment.

When RMC was created in 1876 it contained all the College facilities, including a dormitory, and since then has provided sleeping quarters for a number of generations of cadets.

When renovations are completed, the Stone Frigate (so named, it is said, because a rumour at the time of its construction alleged that the funds used to build were those originally appropriated for a sailing frigate) will continue to serve as a dormitory for future generations of RMC cadets.

FIRST LANDING AT NEW HOME

Although Canada's NATO Brigade in Germany sprouted wings in the fifties, it only recently acquired a brand-new airfield. The airfield, located six miles east of Soest, is the new home of the helicopter troop of "C" Squadron, 8th Canadian Hussars, the brigade's reconnaissance unit. Up to now the helicopters have been using a hardstand within Fort Chambly, about two miles from the new airfield. Major G. J. Martin of Duncan, B. C., officer commanding the squadron, greets pilot Lt. G. A. Van Dyke of Gagetown, N. B., making the first landing at the new airport. Right is Capt. D. P. Thornton of Calgary, the helicopter troop commander and manager of the new airfield.

SOEST, Germany — The flying hussars of the 4th Canadian Infantry Group in Germany now have a place of their own to roost.

The helicopter reconnaissance troop of "C" Squadron, 8th Canadian Hussars, has moved from its old stand at Fort Chambly to a brand-new airfield two miles away just completed for the brigade by German contractors.

The new airfield will be home roost for the helicopter troop's seven CH-112 Hiller Nomads. The 25 officers and men who fly and service them will commute between Fort Cramby and the hangar.

The building is 195 feet long, 80 feet wide and 18 feet high and has its own sewage system and water supply. It also houses the maintenance shop of the aircraft platoon 4th Field Workshop, Royal Canadian Electrical and Mechanical Engineers, which repairs all of the brigade's aircraft, both the helicopters and the L-19 observation planes of

the 2nd Regiment, Royal Canadian Horse Artillery.

The artillery planes operate from the regiment's base at Fort Prince of Wales near Hemer. They will now be able to land on the new airfield's 1,000-foot grass strip and taxi up to the asphalt tarmac (265 by 285 feet) in front of the hangar for maintenance service. Previously, the light planes landed on the nearby Soest Glider Club airstrip and the mechanics came out from Fort Chambly to do repairs.

The airfield is run by "C" Squadron, 8th Hussars, commanded by Major G. J. Martin, of Duncan, B. C. The flying operations are controlled by Capt. D. P. Thornton, of Calgary, the airfield manager and helicopter troop commander. The maintenance shop is under the direction of Capt. C. A. Penny, of Sydney, N.S., who has 30 men in his RCME aircraft platoon.

SEA CADET NEWS

R.C.S.C.C. Warrior began the new winter season on September 7th with a regular parade at Ortona Armouries. The summer had been a very active one for members of the corps and stories of the events were traded during the evening.

A total of twenty-nine Able Cadets and above spent two weeks at Quadra, the annual summer training camp on Vancouver Island. They were accompanied by Sub Lieutenant R. Linford. The only complaint heard was the early rising habits of the navy which did not harm the cadets according to their showing in the Regatta. The Whaler crew chalked up a second, the sailing dingy came in fourth, and the war canoe came in third in their respective groups. These placements are to be commended considering the amount of training of this kind available during the winter months. As a matter of interest a whaler is a boat approximately twenty-seven feet long and, if wooden, weighs in the order of 2,000 pounds. They are pulled (rowed) by five men and it is a heavy pull. A "War Canoe" uses a whaler with a crew of twelve men each equipped with a canoe paddle. A good wet time is had by all in this race.

In addition to the cadets on the two week course, two Leading Cadets, Wayne and Ed Federation were at Quadro on a Bandsman course. The band was issued with white uniforms which are rarely seen on the prairies and made them very impressive. They had the opportunity to tour with the band to the various fairs and celebration days in the surrounding areas.

P1 Rentoul was also at Quadro for the summer at "On the Job Training" which showed him the navy way of life. He was a member of the color guard which participated with band on their

tours.

The cadets had the opportunity to tour two visiting ships which called at the training establishment. The newest Destroyer Escot, HMCS Yukon and HMCS Beaver the centennial side wheeler, were in port.

P2 Bradley was at HMCS Naden attacher to the frigate HMCS Glasgow for a Boatswains course. Along with the course it gave this cadet an opportunity to live aboard ship and to participate in a ship's daily routine. P2 Ballard spent two weeks at the naval station HMCS Shearwater in Dartmouth on Canada's east coast. This course was excellent training as well as affording the opportunity of visiting a very picturesque part of our country.

Seven cadets from Warrior and one from RSCC Cayuga at Wainwright were among twenty-five cadets from western Canada who were exchanged for ten days with sea cadets of the United States. The cadets involved were, P2 Blakely, P2 Granfield, P2 Thomas, P2 Bourke, P2 Guygion, L/C Whyley and L/C Nargang from Warrior and P2 Oracheski from Cayuga. The cadets of the United States spent the ten days in Quadra and the Canadian cadets spent them at the Naval Station at San Diego. They were treated royally at San Diego and joined the Fleet Carrier U.S.S. Kitty Hawk for a 3-day cruise. This ship is not one of their largest carriers but it is larger than any RCN ship. It was a very exciting experience for the cadets and will be well remembered.

The cruises and courses available to sea cadets give them the opportunity to see a bigger part of this country and others which normally they wouldn't see until they are older. It also is an excellent opportunity to meet boys their same age from across the country with a similar interest.

While the summer camps and cruises were in progress, the lads at home were equally busy. The Band and Guard cadets not away at camps, were invited to participate at several local affairs and exhibitions. Fort Saskatchewan, St. Albert, Edmonton, Red Deer and Holden, were each visited. Time and travelling did not permit at least two others being Calgary and Rocky Mountain House. The Sunset Ceremony which is becoming very well known, was performed at Fort Saskatchewan and was very well attended.

Lt. J. Josie, the Band officer, is attempting to enlarge the band from the present sixteen lads to twenty-five or thirty in anticipation of the Centennial celebrations. This promises to be an exciting year and any boys between the ages of 14 and 18 who play a musical instrument, will find this a very rewarding experience. They are urged to contact the corps for further information if they are interested.

One highlight in the planning stage for the Centennial is the proposed International Sea Cadet Camp in eastern Canada. About 750 Canadian Sea Cadets and 250 from other parts of the world, will be attending with side trips to Expo '67. This will be a once in a lifetime experience and it is hoped as many cadets as possible will be able to attend.

This camp and the existing camp courses and cruises will allow ample opportunity for travel next year.

D.C.S.C.C. Warrior is awaiting the announcement of the winners of the twenty annual scholarships awarded by the Navy League of Canada. These scholarships are each valued at \$300.00 and are available to members of the sea cadets in Canada. It is hoped lads from our corps will be fortunate in receiving them.

The corps was pleased to receive news of a former cadet, Stuart Dickie who left to join the RCN in March, 1966. During his new entry training at HMCS Cornwallis he proved himself and was outstanding in Track and Field competitions. After completing basic training he applied and was accepted for the Centennial Gun Crew. This crew will participate in the Gun and Fare and Military Tattoo which will tour Canada in 1967 and will be a very worthwhile experience for him.

We are looking forward to a successful season and eventful year which should prove very interesting to all the cadets. Our new entry program is just beginning and we still have room for many cadets. If any person between the ages of 14 and 18 is

interested in becoming a cadet, we would be pleased to hear from them. The weekly parades are held Wednesday evenings from 7:00 to 9:30 p.m. at the Ortona Armouries (formerly HMCS Nonsuch) and we ask interested parties to stop in or telephone 422-8811 during these times. Inquiries may also be made during the week after 6:00 p.m. to Lt. van der Linden at 484-4263.

BATTLE OF BRITAIN

Canadian airmen paid tribute, September 18, to the Allied pilots who hurled back the German Luftwaffe during the dark days of 1940 in the Battle of Britain.

In Ottawa, ceremonies took the form of a march past of 500 airmen, a fly past, church services, and the placing of wreaths by government, civic and military officials at the Commonwealth Air Forces Memorial on Green Island.

For the RCAF the Battle of Britain had special significance. It was the first time Canadian airmen flew into action as formed units against the enemy, won their first victories, and suffered their first casualties.

Canadian pilots destroyed some 120 enemy aircraft with about 100 more counted as probably destroyed or damaged. Forty-seven Canadian airmen gave their lives.

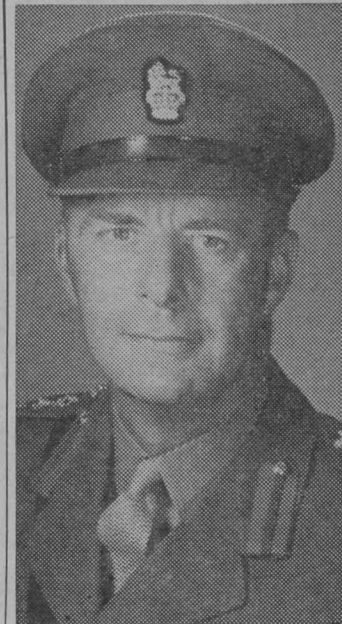

Two fighter squadrons were identified as Canadian. One was No. 242 (Canadian) Squadron, of the Royal Air Force; the other was No. 1 Fighter Squadron, RCAF, (later changed to No. 401) which had arrived in Britain on the eve of battle.

Of the several hundred Canadians who fought in the Battle of Britain, five are still serving in the RCAF. Two flew with the RCAF: Air Marshal E. M. Reyno, of Halifax, chief of personnel, Canadian Forces Headquarters at Ottawa, and Group Captain B. E. Christmas, of St. Hilarie, Que., commander of CFB, Winnipeg.

Three officers flew with the Royal Air Force: Group Captain J. R. D. Braham, of Ottawa, director of the air forces systems requirements at Canadian Forces Headquarters; Flt. Lt. A. G. W. Miller, of Carleton Place, Ont., serving at RCAF Station, Sioux Lookout, Ont., and Flt.-Lt. A. L. M. Deller, of Winnipeg, serving at CFB, Greenwood, N.S.

The RCAF's CT-114 Tutor jet trainer, which came into service early in 1965, can land and take off from sod fields and is the first RCAF trainer with side-by-side seating.

New Commander for Cyprus

Lieutenant-Colonel W. W. Turner, 44, Victoria, has been promoted to Colonel and was appointed Commander of the Canadian contingent, United Nations Forces in Cyprus in mid-September. He will also assume the duties of deputy chief of staff of the international force. Col. Turner succeeds Col. G. R. Hale who will return to his appointment as commander, Newfoundland District.

An officer of the Royal Canadian Artillery, Col. Turner has been a staff officer in the personnel branch at Canadian Forces Headquarters in Ottawa.

Col. Turner was commissioned in 1942, following graduation from the Royal Military College, and during the Second World War served in Britain and Northwest Europe with artillery units and the 4th Canadian Armoured Division.

After the war he was a gunnery instructor at the artillery school in Camp Shilo, Man., and in 1951 took up a similar appointment with the Royal Artillery in Britain. Following graduation from the Canadian Army Staff College in 1954, he was appointed to Western Command and in 1956 he took command of the 4th Light Anti-Aircraft Battery, RCA.

Duty with the truce supervisory organization in Palestine followed in 1957 and in 1959 he became brigade major of the 4th Canadian Infantry Brigade in Germany. In 1961 he took command of the 3rd Regiment, Royal Canadian Horse Artillery in Germany and brought the unit back to Winnipeg. In August, 1965, he moved to the Ottawa appointment.

An Aid Memoire

Canadian Forces Command Organization

Transfer of command of all armed forces regular force units and establishments in Canada to integrated functional headquarters was completed by April 1st, 1966.

On the same date the army's four command headquarters and 12 area headquarters completed the handover of command and control of their present functions and responsibilities. Area headquarters was replaced by small district headquarters responsible for the command and control of militia and cadets and reporting direct to the deputy chief of reserves at Canadian Forces Headquarters. District headquarters are also responsible for national survival and aid to the civil power.

The command headquarters phased out were Headquarters Western Command, Edmonton; Headquarters Central Command, Oakville; Headquarters Quebec Command, Montreal; and Headquarters Eastern Command, Halifax.

The new district headquarters are in cities where army area headquarters were located: Vancouver, Edmonton, Regina, Winnipeg, London, Ont., Oakville, Kingston, Montreal, Quebec City, Fredericton, Halifax & St. John's. Districts take the names of the areas they replaced. For example, Headquarters Alberta District replaced Headquarters Alberta Area.

The only change in geographical boundaries was in the Maritimes where New Brunswick and Prince Edward Island form one district and Nova Scotia another. Nova Scotia and Prince Edward Island previously formed one army area and New Brunswick another.

Under the new command structure, the major armed forces installations across the country will

become Canadian Forces Bases and are placed under command of the appropriate integrated headquarters.

Mobile Command, Maritime Command, Air Transport Command and Materiel Command will each have five bases under command. Training Command will be responsible for 13 bases.

The command structure of Air Defence Command is now under review and no major changes in its organization will take place until this review is completed.

The detailed breakdown of the new command structure, as of April 1, follows:

CANADIAN FORCES BASES MARITIME COMMAND

CFB Halifax (including St. John's, Nfld., Shelburne and Debert, N.S.); CFB Shearwater, N.S.; CFB Greenwood, N.S.; CFB Esquimalt, B.C.; and CFB Summerside P.E.I.

MOBILE COMMAND

CFB Gagetown, N.B.; CFB Valcartier, Que.; CFB Petawawa, Ont.; CFB Rivers, Man.; and CFB Calgary (including Wainwright).

TRAINING COMMAND

CFB Cornwallis, N.S.; CFB St. Jean, Que.; CFB Clinton, Ont.; CFB Borden, Ont.; CFB Kingston (including Picton), Ont.; CFB Centralia, Ont.; CFB Penhold, Alta.; CFB Winnipeg, CFB Shilo, Man.; CFB Portage La Prairie, Man.; CFB Gimli, Man.; CFB Moose Jaw, Sask.; and CFB Chillywack (including Vancouver), B.C.

AIR DEFENCE COMMAND

No change in base or command arrangements at this time.

AIR TRANSPORT COMMAND

CFB Goose Bay, Labrador; CFB Trenton, Ont.; CFB Uplands, Ont.; and CFB Edmonton, Alta.

MATERIEL COMMAND

CFB Cobourg, Ont.; CFB Moncton, N.B.; CFB Montreal, CFB London, Ont., and CFB Rock-

cliffe, Ont.

MILITARY DISTRICTS

Newfoundland, Nova Scotia, NB/PEI, Eastern Quebec, Western Quebec, Eastern Ontario, Central Ontario, Western Ontario, Manitoba, Saskatchewan, Alberta, and British Columbia.

Headquarters of Mobile Command moved to its first permanent location at Canadian Forces Base, St. Hubert, P.Q., August 29. It will occupy accommodation formerly occupied by headquarters, Air Defence Command before that headquarters began a move to North Bay, Ont., to amalgamate with Northern NORAD Region headquarters there.

Mobile Command established temporary headquarters at Jacques Cartier Barracks, Longueuil, P.Q., when it was first formed in October, 1965, and now will occupy a three-story building at the edge of the St. Hubert airfield. This will facilitate movement of commanders and staffs for both operations and training. Logistic support and casualty evacuation will be provided by the Voyageur helicopters of No. 1 Transport Helicopter Platoon, part of which has recently been relocated at St. Hubert from Rivers, Man.

In the amalgamation of Air Defence Command and Northern NORAD Region headquarters, the operations section of ADC has already moved to North Bay. Support services will follow in 1967

when housing and schooling have been arranged. In the interim they will occupy Jacques Cartier Barracks.

NEW MOVING PROCEDURES

The procedures for moving dependents of armed forces personnel are being standardized to provide uniform entitlement. Previously, regulations carried between the Navy, Army and Air Force or applied only to one service.

The basic approach is to ensure that a serviceman does not move his family into an area where housing is difficult to obtain until adequate accommodation is available. If the family is living in National Defence housing, they will not be required to move until housing is available at the new place of duty. In certain circumstances the serviceman may be permitted to move his family to "an alternative location" or to "a selected place of residence."

PROMOTED

Major J. C. Treleaven, 47, of Eston, Sask., will serve a tour as provost marshal with the United Nations force in Cyprus beginning in October. He will be promoted to lieutenant-colonel while so employed.

An officer of the Canadian Provost Corps, he is now on the logistics and administrative staff of Saskatchewan district in Regina.

Major Treleaven was commissioned in the Regina Rifles in December, 1941, and served in

Britain and Northwest Europe during the Second World War.

For five years after the war he served in the Royal Canadian Ordnance Corps. He was adjutant of No. 2 Canadian Administrative Unit in Japan from September 1950, to December, 1951.

Since transferring to the Canadian Provost Corps in 1952 he has served in Palestine, Egypt, Edmonton and Camp Borden.

Air Commodore R. J. Lane

Air Commodore R. J. Lane, 46, of was promoted to the rank of air vice-marshal and appointed air officer commanding 1 Air Division succeeding Air Vice-Marshal D. A. A. Bradshaw, 54, of Ottawa and London, who is retiring. Air Commodore Lane is now chief of staff at the air division headquarters in Metz, France.

Air Vice-Marshal Bradshaw, an RCAF pilot since 1936, graduated from the Royal Military College in 1934. During 1942-43 he led 420 Snowy Owl Squadron on some of the first 1,000 plane raids on Germany and was awarded the Distinguished Flying Cross.

In later years he became director of air operations at RCAF headquarters, commander of RCAF Station Trenton and chief of RCAF training. He was commandant of the Royal Military College 1954-57. He went to the air division in 1961 as chief of staff and became air officer commanding in July, 1963.

Air Commodore Lane joined the air force in 1940 and completed two tours of operations as a pilot, receiving the Distinguished Service Order, the Distinguished Flying Cross and Bar and a Mention in Despatches.

From June, 1961, until January, 1966, he was air officer commanding Air Transport Command and became chief of staff of the air division last January.

Director of History Appointed

Sydney F. Wise, 41, formerly professor of history at Queen's University, Kingston, Ont., has been appointed director of history for the Department of National Defence and took up his new appointment in September.

He succeeded Col. C. P. Stacey who took leave from his duties as professor of history at the University of Toronto in May, 1965, at the request of the Minister of National Defence, to re-organize the historical sections of the three armed forces into a single organization. Col. Stacey retired from the army in 1959 after serving as director of the army historical section since 1945. He now returns to the University of Toronto.

Mr. Wise was born in Toronto in November, 1924. He enlisted in the RCAF in 1943 and graduated as a pilot in 1944. He served as a pilot with Eastern Air Command and was discharged in 1945 with the rank of flying officer.

He graduated from the University of Toronto in modern history in 1949 and was gold medalist.

He took the bachelor of library science degree at the University of Toronto in 1950 and received the degree of master of arts from Queen's University in 1953. He also studied at Columbia University and the University of Chicago.

Mr. Wise was a lecturer at the Royal Military College of Canada, Kingston, from 1950 until his appointment as a lecturer at Queen's University in 1955. He was appointed assistant professor in 1957, associate professor in 1961, and professor of history in 1965. He was to take up a professorship at the University of Western Ontario, London, in the summer of 1966, but that university kindly consented to release him at the request of the Department of National Defence.

Mr. Wise has written widely in Canadian and military history. He is co-author with R. A. Preston and H. O. Werner of *Men in Arms: A History of the Inter-Relationships of Warfare and Western Society*, a book which is used in military and other colleges in several countries.
